

LUTTERWORTH PAY RAISES STAND DESPITE COUNCILOR'S OBJECTION

Lutterworth council gave final approval Tuesday to its own pay raise, despite the objection of councilor Bill Valentine.

Commenting that he himself 'deserves no more than a thousand dollars a year', Councilor Valentine said he felt that only Reeve Pat Conaghan's new salary of \$2,700 was justified.

'He carries the bulk of the workload for the township', said Councilor Valentine who termed the other increases too much, too soon.

In mid-January Lutterworth council decided to bring the wages of its employees and council into line with other county municipalities on a pro-rated assessment basis.

This provided, in addition to the reeve's new stipend a flat per annum rate of \$2,500 for the deputy reeve and \$2,400 each for councilors.

Councilor Valentine, who Tuesday disagreed with all council raises other than the reeve's, was unable to attend the January meeting.

Reeve Conaghan told the meeting that Sherborne, Mc Clintock and Livingstone was used as a guideline because its assessment was on a par with that of Lutterworth.

'I have not had one complaint from ratepayers', the reeve told Mr. Valentine.

Asked by Reeve Conaghan to withdraw his objection, Councilor Valentine refused and voted 'Nay'.

The bylaw was approved 3 votes to one.

Drawing Card

Pay hikes for Dysart, Stanhope

Council members and staff in both Stanhope and Dysart townships have been voted wage increases in recent moves by their respective councils.

Last week Stanhope Council members raised their own pay to \$2,800 for the Reeve, \$2,450 for the deputy reeve and \$2,000 for each council member.

Wage increases for Stanhope Township employees went up 35 cents an hour for hourly-rated employees and approximately eight

With snow three feet or more deep in our Haliburton County bush and special trails springing up almost

out of nowhere, skiing, especially cross-country skiing, has become one of our most popular winter sports,

second only to snowmobiling. Here a party of skiers enjoy themselves on a sun-dappled, snowy trail. In-

creasingly in recent years our resorts and lodges are catering to a year-round rather than just seasonal trade as

the wonders of the Highlands in winter draw more and more visitors.

Frost shatters mains, cuts off Minden water

More than one-half the village of Minden was without water for over 36 hours last weekend.

Blamed was this winter's exceptionally cold weather and frost heaves last Thursday evening that broke the pipes connecting each of

percent for other staff members.

This week Dysart council went through a similar exercise raising remuneration of council members to \$3,950 for the Reeve, \$2,650 for the deputy-

two water hydrants to supply mains.

The hydrants are located at the pumping station and near the post office, respectively.

Initially almost the entire village was waterless as the fractured pipes gushed

reeve and \$2,400 for councilors.

Wage increases for administrative staff rose some 8 to 12 percent and ranged from \$1,000 to \$1,500 in each case.

water everywhere but where it was needed.

Close to double the normal volume of water poured through the broken mains onto the street during the 36-hour period.

However, by Friday noon work crews led by Dusty Sutherland had managed to curtail the escaping flood sufficiently to provide low-pressure water supply to most of Minden west of the Gull River, including Mc Kayville.

But it was not until Saturday noon that workers

were able to finally restore water to the entire village.

Meanwhile, as bathing and washing ground to a halt, householders hauled water for drinking and cooking from the nearest available source, such as homes not on the Minden water system, while volunteer samaritans toted emergency supplies to the ill and aged.

Final repairs will have to wait until spring and the frost is out of the ground, say Minden officials.

Memorial tournament Saturday

Minden fans will have two home-grown teams to cheer for this Saturday during the second annual Tim Harrison Memorial Midget Hockey Tournament.

Yes, both of Minden's midget teams, the Walker Lumber A's and the McKnight Shell B's, will compete this

Office 286-1760 Secretary-Manager Res. 457-1110

Members of Chambers of Commerce across the country were saddened this week-end with news of the death of Jim Meakes who served as president of the Ontario Chamber of Commerce during the year of 1976. A former publisher of the Sudbury Star, Jim was a dedicated Chamber worker having served on the Sudbury board of Directors for 30 years, and as vice-president of the Canadian Chamber for various terms totalling 5 years. He was 60 years of age and died as a result of injuries sustained in a car accident on November 30. He will be missed by all of us who knew him.

Last week we listed the clubs and associations who had responded to our invitation to join the Chamber of Commerce. The column had no sooner gone to press when the Minden Kinsmen joined our ranks which now makes it unanimous for Kinsmen Clubs in the County - or putting it another way, you could say that it is now 3 to 0 for Kinsmen over Rotary.

The Alcide Carpentier Memorial Tournament is over for another year and was once again a success. Whether or not you are a hockey fan you can't help but appreciate the tremendous economic impact these tournaments have on our Winter economy. No other single event brings as many new visitors to our county. This particular tournament filled all the available accommodation from Moores Falls to Hawk Lake and as far east as Wilberforce.

We have attempted to get some classification regarding the "Water Lot" policy of the Ministry of Natural Resources. It would appear that the statements made at our Central Ontario meeting by Dave Thomas from the Ministry of Tourism were in connection with the policies of Central Ontario Rideau-Trent-Severn (CORTS). This body, of course, has nothing to do with the Haliburton area other than the fact they draw their water from our systems. Therefore, the statement that the program here is in "Limbo" is certainly incorrect, but it was a direct quotation from what was said and understood at that particular meeting.

We have assurance now from the Ministry of Natural Resources that the present system of leasing water lots to commercial property owners is being applied throughout areas in their jurisdiction in the same manner as here. You do have a choice of whether or not you wish to lease a water lot and it may or may not be to your advantage to do so. The only case that requires you to lease such a lot is if you have, or wish to have a dock, raft, or any such structure beyond the original high water mark. The cost is \$30.00 per year, per acre, for resort properties, and \$60.00 for marinas. There is an additional charge the first year, of \$50.00 to process the survey etc.

The Ministry have assured us that the plan will not extend to private property owners, only commercial property. People in business, of course, are coming more and more to expect this sort of discrimination where they pay, and the rest of the population gets the same privilege at no cost. The suggestion that this gives you a better legal position on the management of your water frontage is valid, but of course when you consider you still don't have the same control of that 66' allowance back from the high water mark, it loses a great deal of its effectiveness.

We understand many water lot contracts are presently in the midst of being processed and the Chamber apologizes for any inconvenience the previously published statements may have caused, but they were made in good faith.

Bob Palmer has just sent us a copy of his latest issue of "Holiday Country" and we are certainly impressed with the nice spread he devoted to Haliburton and the Winter Carnival. About a page and a quarter have been devoted to Haliburton including a special column by Roy Bates. This newspaper deserves our support, since they are certainly doing what they can to support us.

COMING EVENTS

New Executive

At a recent meeting at the Fireside in Minden, Gerry Joyce, Vice President of the Ontario Real Estate Association, swore in the newly-formed Haliburton District Real Estate Board in a special Swearing in Ceremony.

At a series of meetings last fall Haliburton and Victoria County Brokers reached an amicable and mutually agreeable decision to restructure the Lindsay-Haliburton Real Estate Board into The Lindsay and District, and the Haliburton District Real Estate Boards.

The new executive is seen above. Standing: left to right Lynn Craigmyle President, Roy Boughner Vice President, Don Hall Director; Seated: Bill Roodenburg Director, Marie Brown Secretary Treasurer, Jim Cooper Director, absent Norm Harrison Director.

Form Stanhope Recreation Committee

Hard on the heels of its January 3rd decision to set up a Stanhope Recreation Committee, Stanhope council last week learned that its nominees for the newly-formed committee had all accepted their appointments. They are: Mrs. Janice Barnes, Mrs. Dorothy Kinsman, John Barclay, Alex Stevenson and Ray Woodward, with Mrs. Kinsman picked as chairman.

Under the Recreation Committee banner Mrs. Kinsman will handle swimming, Mrs. Barnes will represent skating and will act as secretary, while finances and grants will come under the direction of Mr. Stevenson and the ball diamond under Mr. Woodward. Council representative is John Barclay.

The Recreation Committee is already in full swing with Mrs. Barnes working with 25 youngsters at the Leslie Frost Natural Resources skating rinks every weekend from 2-4 pm.

Mrs. Kinsman told council that the Committee is planning a Red Cross swimming program this summer for the children in Stanhope and that she will be attending the Red Cross meeting to be held in Minden later this month

to gather information on the program.

Councilor Napier Simpson Jr. is drawing up plans for the proposed Recreational area at the present time and will unveil these plans at a special meeting of the Recreation Committee planned for Mar. 9th at 7.30 pm in the Stanhope Library council learned. A recreation hall, swimming pool, tennis courts and ball diamond as well as change-room facilities and washrooms are part of future plans for the township's recreational area.

FEBRUARY IS HEART MONTH

Know Your Heart

FOOD FOR YOUR HEART

3rd of 4 parts

One of the most exciting dividends from the millions of dollars invested in heart research has been the identification of those risk factors which affect our susceptibility to heart attack and stroke. Prominent among them are overweight and high blood fat, or cholesterol, levels. Millions of Canadians are undoubtedly increasing their risk of heart attack by eating too many egg yolks, which are high in cholesterol, and too much fat meat, butter, cream and whole milk products, which are high in saturated fats.

To reduce this risk, scientists recommend eating habits that reduce cholesterol and saturated fat intake and yet provide all the essential nutrients. There are four major objectives:

- To fulfill your daily needs for protein, vitamins, minerals and other nutrients;
- to control calories and help you keep a desirable weight;
- to lower your intake of excessive amounts of food containing cholesterol and saturated fat;
- to ensure that more of the fat you eat is polyunsaturated and less of it is saturated.

What foods are we talking about?

Egg yolks and organ meats such as liver, kidneys and sweetbreads are very high in cholesterol; white shellfish contain moderate levels. Foods of plant origin, such as fruits, vegetables, grain, cereals and nuts contain no cholesterol.

Saturated fats tend to raise the level of cholesterol in the blood and are found in most animal products and a few vegetable products. Foods high in saturated animal fats include fat beef, pork and ham, lamb, butter, whole milk and cream and their products, such as cheese. Saturated vegetable fats are found in coconut oil, chocolate and many solid shortenings.

Polyunsaturated fats tend to lower the cholesterol level and are usually liquid oils of vegetable origin, such as corn, cottonseed and safflower.

To reduce your risk of heart attack by removing yourself and your family from the risk categories of overweight and high blood fat and cholesterol levels, the Canadian Heart Foundation recommends the following moderation of your eating habits.

1. Reduce egg yolk intake to three or less per week.
2. Eat more fish, veal, chicken and turkey and less beef, lamb, pork and ham.
3. Use skim milk, ice milk and cheese made from skim milk instead of the whole milk and cream counterparts.
4. Substitute margarine containing polyunsaturated fats, and polyunsaturated vegetable oils for butter, lard and other solid fats.
5. For a nutritionally sound diet use more vegetables, fruit, cereals and breads made with a minimum of saturated fat.

Among these are white enriched bread, whole wheat, French, Italian, pumpernickel and rye breads and English muffins.

For more detailed information on the way to a healthy heart, contact your provincial Heart Foundation.

Perform a death-defying act.

Eat less saturated fat.

A Matter of Love

It's now over two years since popular young Minden Midget goaltender Tim Harrison lost his life while taking part in the game he loved.

Tim Harrison was an outstanding youth, a young man that Minden was proud to call its own.

His death was a tragic loss to his family, his friends, his community.

To show just how it felt about Tim, Minden last year staged a special memorial hockey tournament which quickly became pegged as an annual event.

This Saturday Minden stages the second annual Tim Harrison Memorial Midget Hockey Tournament under the sponsorship, this year, of Minden Minor Hockey.

For most Mindenites attending this tournament is a matter of love.

See you there.

During question period in the House of Commons on January 25th I asked the Minister of Manpower and Immigration, the Honourable Bud Cullen, if he would consider extending the deadline for applications for grants under the new Canada Works program, and the Young Canada Works program.

The Minister said that he would take the request under consideration, and I learned later that he advised the chief of the programs to use discretion and flexibility in judging applications, especially in cases where applications were incomplete, and the delay in obtaining additional information would run the application past the deadline.

On January 8th, the Minister announced that the deadline for applications for Canada Works had been extended to February 11th and that the deadline for Young Canada Works had been extended to February 18th.

Needless to say I was very pleased to learn this, and it will mean that some very worthwhile projects will get consideration that might not have met the original deadline.

My reasons for requesting the extension were, first, that the programs are new and would naturally take some time to get into gear, and second, that it had come to my attention that there was a great deal of confusion in some people's minds about the way the new programs would work.

The Department has allocated \$146,000 to the riding of Victoria-Haliburton for Phase One of the programs.

Manpower and Immigration Minister Bud Cullen today announced an extension of the February 4 deadline for applications for the Canada Works and Young Canada Works programs.

In announcing the extension, Mr. Cullen said, "There has been an excellent response to both the programs. In the case of Canada Works, we have already received applications totalling about \$272 million for an allocation of \$60 million. For Young Canada Works we have applications amounting to \$64 million for an allocation of \$26 million."

Mr. Cullen said "We are receiving a large number of applications every day, and it is obvious that there are a great many still in the pipeline. We would like to give these applications a chance to be considered."

The Minister said that all applications for the Canada Works program received by the department this week would be considered. "In order to ensure fair treatment for remote areas," he said, "all applications from the Yukon and the Northwest Territories, postmarked before midnight February 11th, will also be considered."

"In the case of Young Canada Works there has also been an excellent response," the Minister said, "although this response is not quite of the same order as for the Canada Works program. As a result, I have agreed to extend the deadline for this program. Applications will now be considered if they are postmarked before midnight February 18."

Don't Miss It

For Haliburton Village in particular and most of both Haliburton County and southern Ontario in general this coming weekend covers Friday, Saturday and Sunday and begins and ends in Haliburton Village.

It's one of the two major winter attractions in Haliburton County and it's called the Haliburton Winter Carnival.

Sponsored by the Haliburton Rotary Club with an assist this year from the newly-formed Haliburton Kinsmen Club, the carnival features a wide variety of spectator and participation sports and activities.

You'll enjoy it so don't miss it.

Report from Queen's Park

John Eakins, M.P.P.

At the end of the Fall Session, the Ontario Legislature adopted some 48 new procedures. The new rules were produced by a Committee of the Legislature, based upon research and study material and the many recommendations of the Ontario Commission on the Legislature. This Commission was, as you will no doubt recall, appointed in 1972, in recognition of the fact that it was necessary to enhance the role of parliament and the power of parliamentarians. The Commission members were Conservative Dalton Camp, Liberal Farquhar Oliver and New Democrat Douglas Fisher.

While some people may consider the new rules to be a major break-through, they are for the most part of a minor or housekeeping character. Some are no more than repetitions of current rules which have somehow become distorted, usually to the Government's advantage. For example, proposed legislation may not be called for second reading, that is approval in principle, until it has been printed, which enables Members to know what they are debating. This rule is repeated as if it were new, because the Government has often made a practice of pushing through bills before they are available in printed form.

The daily Question Period has been lengthened to one hour, which means that more Members will have an opportunity to ask questions during the additional fifteen minutes. Party Leaders will be allowed two questions, and the remainder of the time will be allotted to the other Members, taking turns in rotation.

Currently, there is no requirement in the parliamentary system that the government must answer questions. A Minister may or may not answer as he pleases, and he may answer how he chooses. There is only one recourse available to a Member who is dissatisfied with an answer to an oral question, and that is to force a half-hour debate before the Legislature rises on Tuesday nights, popularly called "the late show". In fact, written questions frequently stay on the Order Paper, unanswered, until the

Legislature prorogues.

Of course, this situation could easily be rectified by simply abolishing the rule that a Minister is not obliged to answer, thereby making it possible to table a motion of censure for failure to reply. However, neither the Special Committee nor the Legislature approached the problem in this way. Instead, the new rules provide for another "late show" on Thursday nights, for Members dissatisfied with answers to oral questions. With respect to written questions, a Minister will have to say within 14 days either that he isn't going to answer, or that the answer will be costly or time-consuming to prepare.

Under the new rules, bills submitted by non-government Members may become law. For the first time, there is provision for a Private Member's Bill to receive second and third reading. Traditionally these bills have been debated for an hour and then allowed to "die", but in future two of these bills will be debated each Thursday afternoon, with each of the parties taking turns in rotation to present this type of legislation. Unless there is an objection raised by twenty Members, each item will come to a vote a 6 p.m. that same afternoon.

These changes will greatly enhance the role of the M.P.P. who will now have the same power as a Cabinet Minister to introduce legislation, which may subsequently be passed under his name. With this prestige will come an added responsibility. As it is unlikely that a Member will have more than one opportunity to submit a Bill, he must choose an issue or an item which appeals to the majority of the House and is of province-wide importance.

The rules make it clear that no bill of this type may involve the expenditure of public money. This is in accordance with the age-old parliamentary tradition which gives only the Government the right to collect and impose taxes and to spend taxpayers' money.

See you next week.

Canada leads in satellite medicine

This sprawling country of Canada depends on transportation and communications to a more significant degree than most other countries.

Too often and too easily, this dependency is overlooked as so many of us settle into large metropolitan areas. We are reminded by something like a recent development combining innovations in communications techniques and equipment with concern for the health of Canadians living in the more remote corners of the country.

Imagine doctors and nurses in Moose Factory and Kasechewan in Northern Ontario having instant access to London's University Hospital and all the specialists around that important medical teaching centre.

This isn't a matter simply of a telephone call by a young nurse in an Indian or Eskimo village to a trained doctor. Radio has allowed that kind of communication for some time.

The newest development allows for complex examinations to be conducted and results transmitted to the big city specialist. Electro-cardiograms, x-rays and the newest ultrasonic images that look at our insides are the techniques of modern medicine becoming available in remote centres with specialists able to give immediate advice and guidance.

Through the launching of a new communications satellite, this all becomes possible in areas where the average distance from a doctor is 400 miles. Canada has been designing and building satellites in a steady stream and has had a deal with the U.S. where their launching pads and rockets are used to throw these complex pieces of equipment out of the earth's atmosphere. To the credit of government and industry, Canada is considered a pioneer in this field of satellite communications.

The science involved probably goes right over our heads; but the human considerations can be appreciated by recalling the dramatic life-saving efforts of Canadian bush pilots in flying under impossible conditions to bring to hospitals the seriously ill. Saskatchewan's air ambulance service has quite properly won international fame. I once hitch-hiked on a mercy flight by an Eastern Provincial Airways pilot at a time when no one was flying in or out of Gander, Newfoundland.

Today, I can only recall the aircraft was a single-engine model and had to land on a frozen, snow covered pond on a plateau overlooking the coastal community of Tilt Cove. The patient was a young woman thought to be prematurely giving birth -- a medical event holding the danger of many complications. The EPA pilot risked his life in terrible weather, yet didn't hesitate when the call for help came.

Whatever the communications methods and equipment innovations involved in the new "Hermes" satellite that is the key to this new "telemedicine" system, if it helps the ill and reduces the danger for people like the EPA pilot, Ottawa's Department of Communications and National Health and Welfare and Bell-Northern Research merit praise.

They report two early instances this winter of use of the "Hermes" system -- one to avoid evacuation of a seriously ill baby, and the second, to expedite the transportation of a pregnant woman to hospital.

Other similar systems are being introduced elsewhere in Canada, including involving Memorial University in Newfoundland and the Rural Health Society in Victoria, B.C.

So far, this linking of remote areas to major hospitals is considered in the experimental stage. It's certain to be successful because the need exists and Canadians are long experienced in innovating communications techniques.

OTTAWA and Small Business

Boom to Bust

by JIM SMITH

The forces dominating Canada in 1977 actually date back to 1939 with war in Europe and Asia. Domestic life ground to a halt; the men went overseas, the women into munitions factories. Few couples had the inclination or opportunity to raise families.

The war ended. Suddenly, men and women were free to do things that come naturally to couples. They married. They had children. They tried to cram six lost years into a handful of months. And the post-war baby boom was born.

The baby boom rolled through the next few decades like a tidal wave. Public schools, secondary schools, universities, housing, and the labour market fought consecutive losing battles against the new demands on their facilities.

Even with government programs like LIP and OFY to soften the blow, it wasn't easy being a member of that baby boom. For society at large, however, it was a prosperous period; the population boom was tailor-made for a growth-oriented consumer society. The post-war babies simultaneously created demand for goods and services and supplied the labour to produce those goods and services.

Somewhere, we lost sight of reality. We forgot the baby boom was an artificial demographic situation, even though the post-boom slump is already working its way

through the economy leaving the education system with painful excess capacity. Soon we will need to come to grips with changes in the labour market.

By 1985, the Canadian Federation of Independent Business reports, the current labour surplus will be only a memory. Production lines and other technologies built around plentiful, cheap labour will become obsolete. Import quotas and tariff barriers, which exist only to protect domestic jobs, will gradually be eliminated as labour surpluses become a memory. Television sets, bicycles and shoes will become import items, generally produced in Pacific Rim countries like Taiwan.

Our spectacular growth rate of the past two decades has resulted, in large part, from even faster growth in the labour supply. Now it seems we will need to learn to live with slower growth, changing our emphasis from quantity to quality. By channeling all our resources, including manpower, into their most efficient uses and paring waste, we can avoid a reduced standard of living when our growth rate slows. Mass manufacturing is not an efficient technology for Canada.

So our current fascinations with continued high-level growth and mass manufacturing ignore the facts. We are as poorly prepared for the post-boom slump as we were for the post-war boom. In short, we seem intent on turning our boom into a bust.

The Canadian Federation of Independent Business

Crown Attorney and Defence Attorney. Apparently, the original charge was criminal negligence causing death and the Crown Attorney, for whatever reason, accepted a plea of guilty on the reduced charge of dangerous use of firearms. The Crown Attorney's quotes in the story in this regard are not reassuring.

I have the unhappy feeling that is this had been a crime against property the sentence

would have been much more severe. There's just something out of kilter with a judicial process which responds to the loss of human life in the fashion indicated. I know you will investigate the matter thoroughly.

With thanks.
Yours sincerely,

Stephen Lewis, MPP
Ontario Leader
New Democratic Party

Stanhope Fire Wardens

The 1977 Fire Wardens and Permit Issuers were appointed by Stanhope Council at its regular meeting, Wednesday. Stanhope Fire Wardens for the 1977 season are: James Moore, Robert Baker,

Gordon Martin, Harry Martin, Ray Welch and Larry Hewitt. Stanhope residents will be able to purchase their fire permits this year from James Moore, Robert Nangle and Robert Baker.

re:

OPEN LETTER

To.
The Hon. Roy McMurtry
Q.C.,
Attorney General,
18 King Street East,
TORONTO, Ont.

Dear Mr. Attorney General:

I am writing this letter, with some sense of urgency, in response to the front page story in this morning's Globe & Mail relating the decision of Mr. Justice Jean-Marc Labrosse who, in Penbrooke, sentenced a 22-year old Ottawa man to a term of 90 days, to be served on weekends, as a result of the unintentional shooting death of a 3-year old boy. The death occurred in the course of shooting at a road sign from a moving car. The child was in a passing vehicle. The charge on

which the man was convicted appears to be the dangerous use of firearms.

I am not a person normally given to feelings of retribution, but I would like to ask you to consider appealing the sentence.

The Judge indicates that he could not think of another instance in which a life was more uselessly taken away. The story, as reported, further indicates that it took Police eight months to track down the suspect who apparently knew of the shooting death when it originally occurred.

The circumstances surrounding the matter sound to me as though the interests of justice are not served by a 90-day sentence.

I might also ask you to look at the plea bargaining which took place, between the

family...living

Mom's Stew

The Great Winter Warm-Up

Most of us remember - particularly during the winter months - how fantastic tasting mom's stew was. What made it so good? "She probably made it with all the vegetables she had on hand" say food specialists at the Ontario Food Council, Ministry of Agriculture and Food.

In those days, it was customary to stock up on vegetables, "just in case." In case bad weather kept you in - in case friends dropped in and stayed. It was a good idea! It's still a good idea!

Think about it ... the vegetables suggested in this recipe all keep very well, in a cold cellar, or a refrigerator. You can do as mom did. Stock up on vegetables and make her stew ... often! You'll like it.

Winter Warm-Up Stew

- 1/4 cup flour
- 1 teaspoon salt
- 1/4 teaspoon pepper
- 1/2 teaspoon paprika
- 2 pounds stewing beef, cubed
- 3 tablespoons cooking oil
- 2 medium onions, peeled and quartered
- 1 cup apple juice
- 2 med. apples, cored, peeled, thickly sliced
- 3 med. potatoes peeled, halved
- 1 cup sliced celery
- 3 cups carrot sticks
- 5 cups rutabaga sticks (1 med.)
- 1 green pepper seeded, cut in strips
- 2 parsnips, peeled, cut into coins
- 1 bay leaf
- 1/4 teaspoon oregano
- 1 teaspoon salt
- 1/4 teaspoon pepper
- 1/4 cup chopped fresh parsley

Combine flour, salt, pepper and paprika in a plastic bag. Shake cubes of meat, a few at a time, in the seasoned flour until the cubes are well coated. Heat the oil in a large, heavy Dutch oven. Add the meat and brown well. Add the onion and apple juice, bring to a

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

TAKE NOTICE that the Council of the Corporation of the Township of Lutterworth intends to stop up, close and convey a portion of the original allowance for road around the shore of Clear Lake and being part of Lot 15, Concession 4, in the Township of Lutterworth, in the Provisional County of Haliburton.

The By-law which will effect this action is available for perusal at the Lutterworth Municipal offices during regular office hours.

The said By-law will be considered by Council at the regular meeting to be held on Tuesday, March 15th, 1977, commencing at the hour of 10:00 a.m., at the Lutterworth Municipal Offices.

Any person who claims that his land will be prejudicially affected by the said By-law may object in writing to the undersigned on or before 5:00 p.m. on Friday, March 11th, 1977, and further may attend upon the Council at the aforementioned appointed time.

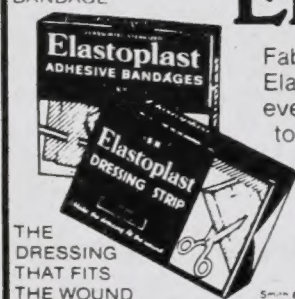

DATED at the Township of Lutterworth this 1st day of February, 1977.

Mrs. B.A. Millar,
Clerk-Treasurer
P.O. Box 176,
Minden, Ontario.

Seek historic site designation for St. Peter's

Stanhope's St. Peter's Church could become an Historic Site if interested Stanhope ratepayers follow their council's advice.

Led by John Barclay, a delegation of ratepayers appeared before council last week to seek an historic site designation for the church.

Indicating their support, council advised Mr. Barclay to first get approval from the Ontario Historical Foundation, then come back to Council for Township approval.

With Ontario Historical

Foundation approval, the project could then be eligible to receive about one-third the amount of money needed to restore the Church, erected in 1905.

Stanhope Councilor Napier Simpson Jr. promised to obtain the proper forms for Mr. Barclay to fill out and forward to the O.H.F.

Council also advised the delegation that the proposal must be advertised in local newspapers before any steps can be taken by the O.H.F. or Stanhope Council.

VACATION EPILOGUE

*"Go way down South" our family said
"And you will land in clover;
"Stay down there where it is warm
Until the Winter's over."*

*Their advice we took and down we went,
But didn't land in clover.
We landed on the ocean shore
And found it frozen over.*

*There we stood just shivering,
You should have seen our faces,
Wishing we had brought along
Our real warm furlined braces.*

*Since then we've had some warmer days,
Enjoyed some drives on state highways.
But in Haliburton County we would rather be,
Where they had to kill a man, they say,
To start a cemetery.*

B. H. (Bert) Harrison.

About the Town

with Jeanne Sears

The Kin Valentine Dance last Saturday night had a lively crowd enjoyan evenings fun.

Sincere sympathy goes to the families and friends of the late Sandy Gilbert and Ted Peacock who passed away since last week.

Do you think this is true? While enormous strides have been made in communications in recent years, there's still a lot to be said for the smile.

Franklin P Jones.

Congratulations to Larna Hogg who won the Jackpot of \$250. in 57 numbers called at Rotary Bingo last Thursday night.

All their friends send good wishes to Janie Kent and Elwood Cox who are in the local hospital and Morris Henderson who is in Peterboro Civic hospital.

Your seed catalogue arrived today,
Thanks for the cover bright and gay,
And all the lovely host it brought,
Delphiniums, forget-me-not,
Nasturtiums clustered to one side,
And pale pink roses for a bridge.
Although the winter wind is blowing
Here in my room are flowers growing
Petunias in their gay attire,
And marigolds like sacred fire,
With Canterbury bells to ring
Above the tender fields of spring.
Outside my window blizzards rage
But here upon the glowing page
They smile like lovely guests— and oh,
I am so glad that flowers grow
In books.....I have them twice to see,
Next summer in the yard, and here tonight.
Beside the fire with me.

Edna Jaques

Mr and Mrs Eldon Deacon have had as their guest, her mother Mrs. G. Sutherland of Lindsay.

Winners at the weekly Mini Card Party last Thurs afternoon at the Parish Hall included for cribbage Bill Bennett and Ethel Leigh; for bridge Allan Stutt; for euchre Pearl Cowan, Norah Briggs and lone hands Pearl Cowan. During their cup of tea, happy birthday was sung to Nellie Graham.

We act as though comfort and luxury were the chief requirements of life, when all that we need to make us really happy is something to be enthusiastic about.

Charles Kingsley

Winter is still with us, don't forget the Shrove Tues Pancake-Sausage Supper at St. Pauls next Tuesday.

Advise against lake travel

The Ministry of Natural Resources has issued an advisory against lake travel in Algonquin Region. This

covers the Districts of Parry Sound, Bracebridge, Minden Bancroft, Algonquin Park and Pembroke.

Ministry spokesmen point out that abnormal snowfalls have driven lake ice downward, forcing water upward at shorelines to flood lake surfaces below snow level. Heavy slushing has resulted, and the added hazards of pressure ridges and air pockets exist on some lakes.

Fishermen are cautioned to check with local resort and hut operators, and snowmobilers are urged instead, to stick to groomed Ministry trails laid out over dry-land routes. Trail conditions are reported good, with packed bases of ten to twenty-eight inches.

Lutterworth road racing now a no-no

Lutterworth Council on Tuesday passed a by-law prohibiting racing of cars or motorcycles on Lutterworth Township roads. In the past, rally drivers have sought permission to run races on Clear Lake Road. Reeve Pat Conaghan told council that he was approached by two members of a rally club from Hamilton seeking permission to hold races on Clear Lake Road. He told them that although there was no by-law in the Township prohibiting such races, Council was against them

racing on the Clear Lake Road.

Completely disregarding Reeve Conaghan's advice, the Rally went on anyway.

Signs were posted and residents were prevented from getting to their cottages while the races were being run.

In one instance a woman was delayed from going to her doctor's office while a race was in progress.

Under the new by-law, By-law Enforcement Officer for Lutterworth, John Holbig, is empowered to stop any future racing anywhere in Lutterworth.

CHEX/CFMP will carry Blue Jays games

Kawartha Broadcasting Company Limited, operators of CHEX Radio 98 and CFMP, Stereo FM, have announced that the two stations will carry a schedule of 100 Blue Jays games during the 1977 season. The majority of the games will be carried on CHEX with 20 scheduled for broadcast on CFMP. CHEX and CFMP will be part of a Network of Ontario stations organized by Hewpex Sports Enterprises. Tom Cheek, who last year was the swing announcer for the Montreal Expos, will handle the play-by-play for the games.

The Blue Jays training camp will be held in Dunedin, Florida and CHEX and CFMP will carry Tom Cheek's daily reports from the camp, which begin March 1, 1977.

Don O'Neil, Program Director of CHEX/CFMP said, in making the announcement, "We are proud of our past record as the area's number one sports station and we feel our involvement with the Blue Jays will continue our tradition of being first with major league sports coverage."

A schedule of broadcasts will be published in the near future.

Warn cottage snow loads now critical

The Ministry of Natural Resources in Huntsville today warned that near-record snowfalls in cottage country are seriously threatening cottage roofs, particularly in Parry Sound District where accumulations of up to 48 inches have been reported.

Officials in the Ministry say that snow accumulations gradually recede eastwardly, with the Muskokas reporting up to 39 inches, Minden up to 36 inches, Bancroft and Pembroke 24 inches.

Interviewed in Parry Sound today, District Manager Ralph Peck described snow loads on cottage roofs in his district as very treacherous, adding that a mild spell or rain could prove disastrous to some cottage roofs, if not cleared immediately.

In the Muskokas and Haliburton, District Resources Managers report that snow loads on cottage roofs are somewhat less, but nevertheless approaching critical levels. Algonquin Park and Pembroke District snow depths are said to be about

normal.

One Ministry spokesman, having shovelled his own home for the second time this season, guesstimated the weight of snow removed from his own roof yesterday to be about 26 tons, the weight of two loaded dump trucks.

Handicapped people can be productive and self-supporting.

This is what Ontario is doing to help.

Your Ontario Government operates a program called Vocational Rehabilitation Services, which is designed to assist physically, mentally and emotionally handicapped people to become employable and where possible self-supporting.

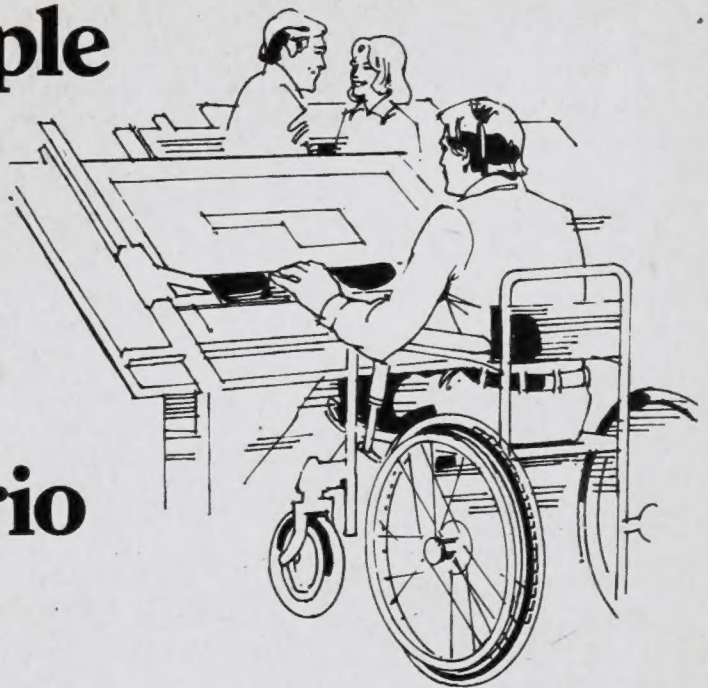

These services are available without charge.

They include:

- medical and vocational assessments
- vocational guidance and counselling
- work adjustment training
- job placement
- artificial limbs, wheelchairs and braces
- training in community colleges, universities,
- trade and business institutes, and industry

Last year, 11,800 handicapped persons received one or more of these services.

The program also helps employers, by pre-interviewing job applicants, providing information about their abilities, sharing wage payments during initial on-the-job training, and offering many other supportive services.

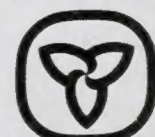

Through the Ontario Ministry of Community and Social Services, a staff of trained counsellors and supervisors helps the handicapped person develop his or her work potential.

For more information, write for your copy of the free booklet "Help for the Vocationally Handicapped", which describes the Vocational Rehabilitation Services program in detail. Contact your local Ministry of Community and Social Services office, or write to:

Bill Lefeuer - CVCC	

The rain-date for the Ontario Sport Car on Ice racing circuit was held on Sunday in Minden at the Minden Kinsmen's new Racetrack, with over forty cars competing. This was also the final race of the season and Champions were declared in all six classes plus Overall Champions in Rubberized racing and Studded racing.

The Feature race on Sunday was won by Tim Whitfield of Credit Valley Car Club in his Volkswagen. Second was Bill Lefeuer, also in a Volkswagen and driving for Credit Valley while third place went to Bill Burch of British Automotive Racing Club in a Renault.

Weather conditions were a great improvement over the last time the races were held in Minden on Carnival weekend, with balmy conditions and excellent track conditions as voiced by each and every driver. Tom Prentice of the Minden Kinsmen Club and organizer of this special event has put hundreds of hours work into bringing the Ontario Sport Car on Ice Racing Circuit to Minden and should be heartily congratulated for his efforts. The Drivers to the man, have assured the Minden Kinsmen that they will be back next year for a minimum two races, and possibly more. Lets hope the weather is excellent each time and that more people in Haliburton County take advantage of the races, they are very exciting to watch indeed.

Take for instance the Feature Race of the day. Carnival Weekend winner Sy Langerap led from start of the first lap until 50 feet from the finish of the fifteenth lap, when he was forced off the track. The Feature also included many pile-ups, but miraculously only three cars were damaged extensively enough to warrant departure from the race.

In the Consolation Race, Richard Pell, of British Automotive Racing Club finished first in an Isuzu, second from Peterborough Motor Sport Club in a Renault was John Ackert and third was Tom Hyland, in a Datsun, from Twin Lakes Motor Club.

Only three cars turned up for the Studded races, with Duncan Patterson beating Reimo Hasanen, to reverse their order of finish on Carnival weekend. Dunc is from Twin Lakes and Reimo from Maple Leaf Racing Club. Dunc drove a Mini Special and Reimo a Volvo.

Winners on Ice

RICHARD PELL DUNCAN PATTERSON

Patterson, Smith, overall Champions for 1976-77

The season came to an end here in Minden on Sunday for the Ontario Sport Car on Ice racing circuit. This years overall winner in the Rubberized racing is Walt Smith with 56 points. Walt drives for the MG Car Club in a Mini. Second place went to Bob Attrell in a Toyota, with 52 points. Bob drives for the British Automotive Racing Club. Tied for third spot, both from Peterboro Motor Sport Club, with 50 points, were Sy Langerap (Fiat) and Brian Smetaniuk (Fiat).

was second in a Volvo, with 33 points and Bill Lefeuer, of Credit Valley, accumulated 19 points in his Volkswagen.

Winners of their class for 1976-77 were; Class 1 - Ray Gregg of Twin Lakes, Class 2 - Bob Attrell of British Automotive, Class 3 - Brian Smetaniuk of Peterboro,, Class 4 - Tim Whitfield of Credit Valley, Class 5 - Walt Smith of MG Car Club and Class 6 - Sy Langerap of Peterboro.

Ontario Sport Car Standings

First place overall in Studded car racing was Duncan Patterson with 45 points, from Twin Lakes in a Mini Special. Reimo Hasanen, of Maple Leaf

Dave Everall rolls 311 single to lead Dusters

The senior team, Dave's Dusters, moved to within thirteen points of Barker's Boozers in the YBC on Saturday, principally due to the fine games of team captain Dave Everall. Dave rolled 226-226-311 for 763 and four points. The Boozers now have 31 points to the Dusters 18.

The balance of the YBC leagues are much closer however. In Bantam action

the Strikers and Super Strikers are each tied with 19 points on 8 wins and 8 losses.

In Junior competition, the Devil's Angels are clinging to a one-point lead atop the standings with 20 points. Yake's Rollers moved into second with 19 points on the strength of a 7-point afternoon. In third spot with 17 points are the Hell's Angels.

Some of the top performances this week: Dave Barker (S) 241-260-174 for 675, Kim Griffin (J) 243, Ronnie Yake (J) 204, Jeff Stamp (B) 153-138 for 289 and Dale Allison (B) 126-119 for 245.

Murray Kelsey scores hat-trick

Hockey season over for Jadek Sports bantams

Two losses this week by the Jadek Sport Bantams, have put them on the sidelines for 1977. They now join the Walker Lumber Midgets, Vasey Real Estate Juveniles and Prentice Skidoo Peewees as Minden teams now eliminated from further play-off action. All that remains for these teams now is tournament play and hopefully one or two trophies for Minden.

Thursday evening in Port Perry, the bantams dropped a 6-2 decision to Woodville and fell behind in the series 2-1. Ronnie Yake and Shawn Chapman scored for Jadek while Murray Flynt had two for Woodville and singles went to Tom Thornbury, Elroy Jewell, Murray Kelsey and Kevin Flynt.

Croghan, Hamm, win Classic

For the second year in a row Bancroft Lanes will carry the 1000 Lakes Bowlers Association colors at the Carling O'Keefe Classic 210 and Under Provincial Finals. On Sunday at Bancroft, Mike Croghan and Irene Hamm won the right to go to Peterboro for this years Provincial Championships. Mike and Irene both bowl at Bancroft Lanes and hope to repeat what Sharron McConnell and Gord Green accomplished last year, winning a gold and bronze medal at the World Championships in Regina.

Mike came up with a super effort on Sunday, rolling singles of 252-322-164 for 738 and with his handicap of 120 for the three games ended, the day with 858 and a 116 pin victory over Fenelon's John Kilpatrick.

Irene Hamm rolled singles of 148-205-192 for 545 and a 228 handicap, to give her 773 and a 2-pin victory over Fenelon's Janice Tamblin.

Mike and Irene will now travel to Peterborough, Ont. on March 12th for the Championships. The games are to be split between Lakeview Lanes and Chemong Lanes, this year.

1. Mike Croghan Ban.	858
2. Irene Hamm Ban.	773
3. Janice Tamblin F.F.	771
4. Gloria Bell Car.	747
5. John Kilpatrick F.F.	746
6. Cliff Munro Ban.	739
7. Rick Harding Car.	738
8. Randy Sleeper Ban.	737
9. Greg Quibell F.F.	734
10. Ira Gunter Ban.	726
11. Sandy Barr Car.	719
12. Gary Ham Ban.	717
13. Eva Kirkham Ban.	716
14. Dale McGinn Ban.	715
15. Donna Phillips Ban.	712
16. Merle Whyte Ban.	706
17. Earl Goodman Ban.	704

At the Centre on Saturday afternoon, Woodville dropped Minden 6-1, with Tim Davies scoring the only goal for Minden. Murray Kelsey got the hat-trick for Woodville, with two goals by Tom Thor-

Sunderland wins 8-3, ending Prentice Skidoo season

On Thursday evening in Cannington, the Prentice Skidoo Pee wee hockey season came to an end when they were skinned 8-3 by Sunderland.

The Pee wees were right in the thick of things with Sunderland for two periods (score 2-2 end of second period), but then just simple ran out of gas in the third.

Jim and John McKelvey and Terry Allore scored for Minden.

Although the Pee wees went out three straight in this quarter-final series, they should be congratulated on their play over the final half of the season. They went through a difficult time in the

nbury, and one by Elroy Jewell.

The Jadek Sport bantams next game will be in Minden's Annual Bantam tournament being held at the Centre on March 5th.

first half, having to put up with several different coaches before present coach, Bob Austin, took over the bench duties and turned the team into a fine, well organized hockey machine. Next year, if Bob stays with the team, the Pee wees should go a long way, considering the players advancing from Atom and the holdovers from this years squad.

Congratulations Pee wees, on a fine effort in the play-offs, losing isn't everything its how you played the series, and from where this reporter stands you acquitted yourselves extremely well in the eyes of your Minden supporters.

BROOMBALL

Paul Warburton's two goals powered the Horseshoe Lakers to a 3-0 upset of Home Hardware last week. After several weeks absence both Paul and Randy Warburton returned to the Lakers lineup and their presence was a large factor in the Lakers victory. Home had only nine men in uniform and the resulting line juggling distracted from Home's usually consistent attack. But the Lakers were full measure for their win and narrowed the gap between themselves and second place Home to four points, with two league games remaining.

Godfrey Tyler opened the scoring midway through the first period as the result of slopping clearing by the Home team. The second period went scoreless before Warburton scored two third period goals to give the Lakers their well deserved victory.

In the other league game Altons Movers handily defeated Tom's Mother-truckers 2-0 in a clean, well played game. Shane McKelvey scored early in the first period and it looked like the Movers were going to score at will. The Truckers goalie made many fine saves to keep his mates in the

game before he was finally beaten in the second period by a blistering shot from the point by Hugh Alton Jr.

The Movers played extremely well considering they were missing four of their top players. The Truckers on the other hand - well another dismal effort from a team that should be doing much better than thier record would indicate.

With just two leagues games remaining before playoffs begin the Truckers have only three ties to their credit and are wallowing in fourth place, seven points behind third place Horseshoe Lakers and eleven points out of second place presently held by Home Hardware. Alton Movers have twelve wins and one tie for twenty-five points and have once again captured the G.E. Thomas Memorial Trophy as league winners.

Barring any catastrophic changes it looks like Altons will be playing the Lakers in first round playoff action while Home and the Truckers tangle in the other series. Each series is a best two out of three affair with the winners meeting for the league champion-

Stamp, Adams, in Master Bantam

4 Steps to Stardom zone finals set for Whitby, Oshawa

The next four weeks, the Carnarvon Lanes, Youth Bowling Program is going to be extremely active.

This Sunday for instance the Juniors will be competing in the 4 Steps to Stardom Zone Finals at County Bowl in Whitby. The Carnarvon Junior Singles Champions plus the Junior Boys team will see action. Ronnie Yake and Ann Everall will be the Singles representatives and Scott Arbuthnot, John Fountain, Sean Harrison, Shane Blakey and Rickey Beeney will make up the Junior Team.

Then Sunday, Feb. 27th, Carnarvon's four Singles Champions in Senior (Dave Barker and Diane Cowan), plus the Bantams (Ted Conway and Leeanna Barker) will see action at Oshawa Lanes in Oshawa.

These are the times for each event in the 4 Steps. Junior Boys Singles - & Team - 10 a.m.

Junior Girls Singles - 12:30 p.m.

Senior and Bantam Singles 10 a.m.

On Sunday March 6th the Seniors at Carnarvon will be taking part in the Pepsi Cola High School Championships, site still to be named. The Regional Roll-offs could be in Oshawa, Peterborough or Belleville.

The following will be taking part, Dave Barker, Dave Everall, Tim Davies, Les Booth, Jim Carrell and Diane Cowan.

On Sunday March 13th, Jeff Stamp and Barbara Adams will join Master Teacher Ron Robinson Sr. in the Master Bantam tournament in Toronto.

There is also an in-house tournament planned for March 12th, for the YBC bowlers, it will be the 'I Beat My Average' tournament. Each bowler must beat his or her average in their first game of regular league bowling. If they, do then they recieve an attractive crest.

LET'S GO BOWLING

Wes's Gassers, Ron's Rollers, win first two series

The second series in the Maple Lake league came to an end last week with Ron's Rollers the winners. Wes's Gassers had captured the first series. These two will now enter the "A" Play-off series.

The third series will now be up to three teams that are very close, Dan's Dynamos, Ev's Avengers and Harry's Hornets.

Ev Stata continues to lead the ladies in all three individual categories. Ev presently holds a 226 average and if she continues to bowl this way will be a very great asset for the ladies in the Carling O'Keefe Open in April at Sherwood Lanes in Hamilton. Ev is in the singles competition in the Open as well as one of the top performers on the Ladies team She also has a 345 single and 819 triple.

The men's individual honors are split between three different players so far. Ronnie Robinson Jr. holds high average of 246 Rick Harking has high single of 371 and Ron Robinson Sr. holds high triple of 906.

PETERBOROUGH LUMBER 21½ POINTS IN FRONT

The Tuesday Night Commercial league has Peterborough Lumber with a lofty 21½ point lead atop the standing with 95½ points. Carnarvon Bargain Barn is second with 74

ship and the Sterling Hewitt Memorial Trophy.

points and third is Gord's Blockbusters at 61½, fourth is Kushog Lake Marine at 60, Martins Builders with 58 and Kushog Killers 50.

Fred Cox holds all three men's individual honors with 235 average, 405 single and 931 triple.

Audrey Fountain and Marnie Robinson are fighting it out for the Ladies top honors. Audrey has 226 average 317 single and 785 triple. Marnie has 212 average, 321 single and 770 triple.

GLADYS WRUTH MOVING TO TOP

Maude Coulter has led the United Church league standing since the beginning of the season but now she has a challenger in Gladys Wruth. Maude is still leading with 88 points but Gladys moved to within five points last week. Marie Reynolds is third with 77.

Jim Green continues to have the high average of 210 among the men and Virna Wagg has 205 for the ladies.

MODERN ELECTRIC MOVES TO FRONT IN THIRD SERIES

Plenty of action in the Men's Commercial league on Wednesday evening. The battle for the final series in the league is hot and heavy as last weeks leader Cox's Colts dropped to second behind Modern Electric, 31 to 29.

Top triples for the evening went to Ronnie Robinson Jr. 779, Fred Cox

755 and Cliff Burke 744. Ronnie also had the high single of 341, others were Paul Warburton 304 and Ivan Clarke 300.

There is also a real race going on for the high average in the league, with Ronnie leading the way with 232. Paul Warburton is at 230, Ron Robinson Sr. 228 and Gord Everall 227.

Minden-Haliburton route with a Five-Point System.

Next Week

If you are unable to find this column in your favorite paper it may be because it didn't get written. We are off to Eganville on the 18th for a 4-day safari. It is not likely that we'll be back to the typewriter in time to meet the deadline. Sorry that we have miss the Carnival.

Driver Training

If you have enrolled a member of your family for the snowmobile Operators safety training course please note that there will be a operators safety training course please note that there will be a school at the Stanhope Municipal Garage this weekend - February 18th, and 19th at 7 p.m. both days - operated by instructor Bob Patton. His phone 489-2489. Dennis Casey will be holding a school in the HCSA clubhouse February 26th beginning at 9 a.m. His phone: 457-2152.

Applications may be obtained from either of the above or from Roy Bates at RR 2 Haliburton, 457-1658.

Good Coverage

We express our gratitude to Bill Foote, Progress Editor, for the excellent photos last week of our meeting with the snowmobilers from Mount Forest. Bill's participation as an active member of the HCSA has shown up frequently in his paper's coverage of snowmobiling events.

We must, however, give him a light rap on the knuckles for moving Eganville into Quebec. How he managed to

float that town down the Bonnehocher and across the Ottawa River remains a complete mystery. We only hope Bill can put it back in its delightful setting in Eastern Ontario by this Saturday for we are booked in there for Saturday night!

Snowmobiling Experience for St. Catherines Kids

On Thursday of last week a group of HCSA snowmobilers gathered at the Leslie M. Frost Natural Resources Centre, formerly known as the Dorset Forestry School, to provide rides and instruction for a group of sixty children attending classes there. The kids, all in their early teens and from a school at St. Catherines, Ontario, enjoyed an exciting and informative afternoon.

The class was broken into three groups of twenty with each group accompanied by one or more of their teachers. While the first group were being treated to a snowmobile ride the second and third were attending lectures. Thus by rotating the schedule all sixty were provided an opportunity for valuable information and instruction as well as an exciting snowmobile safari.

Two lecturers chosen from the snowmobile club zeroed in on the pleasures of recreational family snowmobiling and on snowmobile regulations and safety practices. A fully experienced and successful trapper from a nearby trapping zone demonstrated the numerous transportation methods used in his work including the versatile snowmobile. His slide presentation was extremely interesting.

For an impromptu and totally un-rehearsed event the day came off quite successfully. We look forward to more of the same.

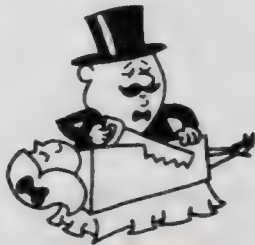

Grooming Demonstration for Ministry of Natural Resources

At the request of the local District Office of the Ministry, Bombi operator Tom Prentice staged a demonstration of the local snowmobile association's grooming equipment on a trail connecting with the Five-Point System south of Irondale.

The major difference between HCSA equipment and equipment used by the MNR is in the type of drag twoed by our two Bombis. Ministry personnel from a number of out-lying districts were present to view and evaluate the effectiveness of our more costly grooming method. We understand from Mr. Prentice that they were very much impressed.

Of interest to snowmobilers of the area is that the exercise resulted in a groomed trail connecting the

CORPORATION OF THE TOWNSHIP OF STANHOPE NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE CORPORATION OF THE TOWNSHIP OF STANHOPE TO CLOSE THAT PORTION OF PART OF THE ORIGINAL ALLOWANCE FOR ROAD BETWEEN BROKEN LOT NUMBER 20 AND BROKEN LOT NUMBER 21 IN THE TENTH CONCESSION OF THE TOWNSHIP O STANHOPE.

NOTICE IS HEREBY GIVEN, pursuant to Chapter 284, Section 443 of the Municipal Act, that the Township Council of the Corporation of the Township of Stanhope proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, R.R. 1, Haliburton, Ontario on Wednesday, March 9, 1977 at 4 p.m., a by-law to close, stop up and convey the following:

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Stanhope, in the Provisional County of Haliburton, in the Province of Ontario, being composed of part of the original road allowance between Broken Lot Number 20 and Broken Lot Number 21 in the Tenth Concession of the said Township, more particularly described as follows:

PREMISING the Western Limit of said Lot 21 in the Tenth Concession to be on an astronomic course of North 20 degrees 51 minutes 40 seconds West and relating all bearings herein thereto;

COMMENCING at a point in the Western Limit of said Lot 21, distant 329.3 feet measured on a course North 20 degrees 52 minutes 40 seconds West thereon from the Southwesterly Angle of said Lot 21;

THENCE continuing on a course North 20 degrees 51 minutes 40 seconds West along the Western Limit of said Lot 21, a distance of 470 feet to the intersection of the Western Limit of said Lot 21 with the inner limit of the road allowance along the shore of Little Hawk Lake;

THENCE in a general northwesterly direction following the said inner limit of the road allowance along the shore of Little Hawk Lake to the intersection of the said inner limit of the road allowance with the Eastern Limit of said Lot 20;

THENCE on a course South 20 degrees 51 minutes 40 seconds East along the Eastern Limit of said Lot 20 a distance of 500 feet more or less to a point in the Eastern Limit of said Lot 20, distant 332 feet measured on a course North 20 degrees 51 minutes 40 seconds West thereon from the Southeasterly Angle of said Lot 20;

THENCE North 71 degrees 29 minutes 00 seconds East, 66.05 feet to the POINT OF COMMENCEMENT.

THE PARCEL as herin described is shown outlined in red on a plan and field notes of survey dated January 16th, 1952, signed by Charles P. O'Dale, O.L.S., of record in the Ministry of Natural Resources, Ontario, a duplicate of which plan and field notes is attached to and forms part of this deed of land.

AND TAKE FURTHER NOTICE, that before passing the said By-Law at its meeting to be held at the time and place above mentioned, the Township Council of the Corporation of the Township of Stanhope, shall then and there hear in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said by-law and who applies to be heard.

DATED AT STANHOPE this 11th day of February, 1977.

Mikes Milk Atoms lead Round Robin series

The Mike's Milk Atom 'B' team is involved with Haliburton and Cannington in a Round Robin Play-off series at the moment and Minden is leading, with four points on two straight victories last week. In their opener in Haliburton, Minden defeated their hosts 3-1. Mike Gorveatt was the outstanding player on the ice, scoring all three goals for Minden. Jack Prentice and

Larry Anderson each picked up assists in the game. Then on Saturday at the Centre in Minden, George Burk took up where Mike left off with Haliburton, scoring twice and assisted on the third by Larry Anderson in his teams 3-0 shutout over Cannington. The next game in the series for Minden is at the Centre Friday evening at 7 pm and then in Cannington on Sunday.

PROVISIONAL COUNTY OF HALIBURTON

EQUIPMENT RENTAL

All people who would like to have the Provisional County of Haliburton Roads Department, consider the rental of their equipment for road construction within the County for the year 1977 are required to submit the rental rates to the County Office in Minden by 12:00 noon, March 16, 1977. The information required is type of Equipment, Size, H.P. Rating, and Rate per Hour. Tender forms are available at the office, Box 399, Minden, Ontario.

W. E. Obee, P. Eng.,
County Engineer

Thirty-two games in three Divisions were played over the weekend at the Haliburton Community Centre in the Lake Kashagawigamog Peewee Hockey tournament. The three divisions taking part were the Alcide Carpentier, Fred Neimann and Haliburton Hockey Haven.

The Haliburton Hockey Haven Division is new this year and the AA Minor Grand Championship was won by Mississauga, 4-0 over Globe. Thornhill had entered the final after the Round Robin series but had to withdraw because of a prior play-off commitment in Toronto. Therefore Globe went up against Mississauga as the third best team in the Round Robin.

In the Grand Championship Game for the Alcide Carpentier Trophy, Stouffville trounced Willowdale 9-1. Stouffville entered the Championship by disposing of Kingston Twp. 3-1, Sutton 7-0 and Huntsville 5-4 in overtime. Forward Kevin Bartley and defencemen David Mehaffey won the most valuable players award for Stouffville in the Major A category. Huntsville's Doug Wagg was the most valuable goaltender.

The Grand Consolation game was won by Oakville, shutting out Oshawa, 7-0. Oshawa dropped their opening game of the tournament to Willowdale 7-1 then defeated Minden 4-3 and Haliburton 5-2.

The most valuable players in the Major B category went to, Goalie Stan Chudziak, Willowdale, Forward - John Picard, Oshawa and Defence - Derek Blaine of Willowdale.

Minden was knocked out of the tournament in two straight games, bowing to Grand Ravine 4-0. Eldon Bull won the most valuable player of the game for Minden, scoring once and setting up Andrew Shapiera twice.

Haliburton opened the tournament with a 6-4 loss to Georgetown. Steve Smith scored twice with singles going to David Nicholls and Dean Curry. In their second game they edged Bowmanville 5-3. Anthony VanLeishout scoring twice, Dave Nicholls, Dean Curry and Fred Roberts once each. In the B Consolation Final, Oshawa dropped Haliburton 5-2. Steve MacNaul and Norman Barry scoring.

Haliburton hockey scene

Haliburton fared extremely well over the weekend in two tournaments held in Quebec.

In LaSarre, Quebec, the Haliburton Bantams won the Consolation Championship. Over in Temiskaming, the Haliburton Midgets, defeated Noranda, 5-4 then lost to North Bay, 7-5. However, the host of the tournament, Temiskaming,

invited the Haliburton boys to play them for the Quebec-Ontario Cup. This exhibition game is played each year between the host of the tournament and a team from Ontario. The Midgets must have been very angry losing out in the tournament because they clobbered their hosts 8-1.

Huskies, Ti-Cats, all even

The Haliburton Huskies and Bobcaygeon Ti-Cats put on quite a show over the weekend. On Friday evening the Huskies travelled to Bobcaygeon to open their best four out of seven play-off series and came away with an overtime 9-8 victory. Not to be outdone, the Ti-Cats came

to Haliburton on Sunday evening and with 32 seconds left in the second overtime period, downed the Huskies 8-7. The two teams go at it again on Wednesday evening in Bobcaygeon and then return to Haliburton on Friday for an 8.30 matchup.

Notice to Truckers

All County Roads under the jurisdiction of the Provisional County of Haliburton shall be posted and enforced for Half Loads as soon after March 1, 1977 as necessitated by weather and road conditions until April 30, 1977.

Approved by the County Road Committee,
Tuesday, January 18, 1977.

IN MEMORIAM

GARTSHORE - Mary Jane Beloved wife of Arnold who passed away on Feb. 22, 1970.

We think of you as each day goes by
But the memory of you most makes us cry
Cause we miss your heart so full of trust
And your arms that used to hold us.
But now we only weep
When thinking of your kisses that were so sweet.
Your loving smile, your tender touch
Will always be missed by us very much.
But now your life has reached an end
You are still loved by family and friends.
Sadly missed by Arnold and Family. 729-1p

\$5,000 damages in four collisions

Although damages topped the \$5,000 mark, no one was injured and only one driver was charged by police in four highway collisions last week.

Police charged David McPhail, 36, of RR 1 Haliburton with impaired driving after his northbound car went out of control on Highway 35 just south of Carnarvon and rolled over in the east ditch last Friday evening.

Damage to McPhail's pickup truck was estimated at \$1,000.

Investigation by Provincial Constable Bob Pearson.

Damages totalled some \$2,500 when cars collided as they met on a Highway 519 curve at Haliburton last Wednesday evening.

According to police a northbound car driven by Gordon W. Cruickshane, 32, of Mississauga applied the brakes and skidded into a southbound car driven by Shirley Jean Baker, 25, of Haliburton.

Investigation by Provincial Constable Jim Solway.

A collision a week ago Tuesday on the North Kashagawigamog Lake Road resulted in some \$850 damage to the two vehicles involved.

The accident occurred when a southbound car driven by Ian McCollom, 29, of RR 2 Haliburton and a van driven by Jerry Campbell, 17, of Minden met on a curve and applied brakes.

The two vehicles collided, the Campbell van then striking a tree.

Investigation by Provincial Constable Weldon Popp.

County Road 2 was the scene of a collision early last Friday afternoon when a car driven by Joseph Wright, 45, of RR 1 Minden met a pickup truck driven by Bryan Neville, 30, of

Haliburton at a bridge.

Both struck the bridge when they applied the brakes, with the resulting damage totalling \$800.

Investigation by Provincial Constable Al Bibby.

year. They face six other teams in competition for three large and beautiful trophies.

Included are trophies for the winning team, the consolation winners and the best tournament goal tender. This latter trophy is of special significance and harks back over two years ago when the late Tim Harrison guarded the

pipes for the Minden Midgets.

The son of Norm and Betty Harrison, Tim died after being struck in the head by a puck while refereeing a local Minden exhibition game.

Besides the three trophies, players will receive individual replica trophies, most valuable player awards for each game plus crests

for each player.

Other Midget teams competing include: Haliburton, Ops, Sunderland, Bobcaygeon, Ernestown and Peterborough.
